

Summer Program Details:

Our summer program is for elementary school children through age 9* and operates during the summer break for Rockingham County schools.

This is generally a 10-week program where participants commit to all 10 weeks with the option of 2 “vacation” weeks. “Vacation weeks” are where no attendance during the that time also means no payment. This allows a child to be able to attend a camp without it being cost prohibitive.

Our school age teachers spend a lot of time before the summer starts planning out a theme for each week and a variety of fun and educational activities to go along with each theme.

Tuition for our summer program includes a nutritious breakfast, lunch, and afternoon snack. We go swimming at Massanetta Springs Pool once a week, weather permitting, and we go on other occasional field trips at no extra charge to families.

*Children may not start a summer program older than age 9, but if they turn 10 during the summer, they may stay through until the end of the program.
